

## Deployment Swisscom Root Certificates

Root and issuing CA certificates of Swisscom are integrated in the major certificate root stores of browsers, operating systems, e-mail clients and PDF viewers.

	<b>Qualified Certificate</b>	<b>Advanced Certificate</b>	<b>Device Certificate</b>	<b>Login, Email, Server Certificate</b>	<b>Extended Validation SSL Certificate</b>
	(Swisscom Diamant CA 2)	(Swisscom Saphir CA 2)	(Swisscom Rubin CA 2, Rubin CA 3)	(Swisscom Smaragd CA 2)	(Swisscom Quarz CA 2)
